March, 2015

Skyline RV Park, Bandera

Eighteen rigs gathered in Bandera for our March rally. Early birds who came on Wednesday went to the 11th Street Cowboy Bar for "Steak Night."

Some folks just sat outside and enjoyed the beautiful, sunny weather on Thursday and Friday. A few ladies went to the quilt shop in Medina and had lunch at the Apple Store on Thursday. On Friday, they went to a huge annual sale at Creations quilt shop in Kerrville where some reportedly bagged lots of "treasures." Other folks explored the area, visited friends, shopped, etc. Some of the guys met the challenge and solved Steve's electrical problem.

A young man spent two days washing and waxing three rigs and made them sparkle. Most folks grilled out Thursday night and went out for dinner Friday night. Folks spent the evenings playing cards or just visiting.

We have new/old members! Lisa and Jerry Garza, friends of Debbie and Ted Kennett, attended and loved the group (of course) and joined on the spot! They were members "around 2001," but had to leave us when they sold their Mobile Scout. Now they're back with a gorgeous new rig – they graciously gave tours.

Saturday, Carlton, JoAnn, and Arline joined us for the day. The potluck dinner featured a great assortment of delicious dishes from our wonderful cooks, as usual. Sunday morning our hosts, Kay Bowen, Nancy & Dan McDonald, served fruit, muffins, and Kay's famous Mimosas. Many thanks to them!

Happy March Birthdays to Johnnie Servis and James Shadrock!

Our April rally at Dad's RV Park in Victoria was cancelled. As of now, the dates and/or place of the April rally is unknown.
