

## September 2014 newsletter

Hello fellow Camping buddies. Our rally for September 2014 was originally scheduled for Seawind RV in Riviera, Texas Sept 11-14. Everyone was looking forward to this trip. Not only because we have not been there in two years but also to visit with Fred & Alida Klostermann who have not been able to make the rallies in quite a while. Their family had planned a fajita cookout for all of us on that Friday evening.

Charlie & Janice Burns went early and to their dismay discovered the voltage in the park was low. In fear of damage that may happen to our rigs they felt it best to cancel the rally and try to reschedule elsewhere. Hopefully Seawind will be able to resolve their electrical problems.

With such short notice Robert was able to book us at Skyline in Bandera. Thank you, Robert and Skyline.

Members began checking in on Tuesday and by Saturday we had 16 rigs at the rally. It was very hot and humid but that did not stop everyone from having a great time with the usual games, visiting and shopping.

At noon on Friday everyone was very happy but yet concerned when Frank arrived with Barbara and Hazel. Just the day before Barbara was dismissed from the hospital. She had been there overnight because her blood pressure was very low. They were able to stabilize it and because all her other vitals were good they sent her home. Barbara is still weak and having difficulty with her left side. Our thoughts and prayers are still with her and her family. Also please keep Robert, Dewey and all others who are having health issues in your prayers.

On Friday evening a much needed cold front blew in with the hopes of a good amount of rain. We received little rain but on Saturday morning everyone was looking for their jackets, except for Al he was looking for his long johns.

On Saturday some of the girls went to Medina for a quilt show and then off to the quilt shop and Apple store for lunch. Some of the guys went to a Tractor pull down the road at Mansfield park. By the way, if you haven't seen the quilt Janice B. is working on make sure you ask to see it because again it is just beautiful.

We would like to wish September Happy Birthdays to Marie Hodges and Leo Slaton on the 1<sup>st</sup>, Hazel Primeaux on the 8<sup>th</sup>, Bill Servis and Ted Kennett 9<sup>th</sup>, Bert Reid 15<sup>th</sup>, Sharry Buckner 20<sup>th</sup>, Dewey Carlisle 21<sup>st</sup>, Ron Rogers 22<sup>nd</sup>, Mary Reid 25<sup>th</sup>. We also wish Happy Anniversaries to Curtis & Jo Cornell on the 7<sup>th</sup>, and Roger & Marsha Schrank on the 16<sup>th</sup>. Please let me know if I have missed anyone.

We missed all of you that were not able to come and hope to see you at the next rally in Johnson City at Millers Creek on Oct 2-5.

Your green-horned reporter, Janice Shadrock
