

## Sharon's Cornbread

3 boxes Jiffy cornmuffin mix  
2 cans cream corn  
1 can whole corn (drain-reserve liquid)  
1 egg  
1/4 cup milk  
1 stick butter  
9 x 13 cake pan

Melt the butter in a mixing bowl, add in the egg and milk - mix together, add in the two cans of creamed corn - mix together, add the jiffy mix (one box at a time) the mix will be lumpy, now add the whole corn...if you think the mix is too dry...add some of the liquid from the whole corn...pepper to taste.

Bake **50 - 60** minutes at 350 degrees
