

## Sausage Bread

1 1/2 lb Italian sausage (or Jimmy Dean sage pork sausage).  
16oz frozen chopped spinach (thawed and drained of all water).  
1 lb shredded mozzarella cheese.  
3/4 cup grated parmesan cheese.  
1 tsp garlic powder.  
2 tsp dried oregano or basil.  
2 eggs beaten.  
2 loaves of frozen white bread dough.

Spray cookie sheet with pam. Place frozen dough on sheet, spray lightly with pam and cover with plastic wrap to thaw.

Brown sausage in pan and drain grease off, cool slightly then add all the rest of the ingredients, do not cook just mix together.

Roll out dough to a large rectangle on a floured surface.  
Spread with 1/2" of sausage mixture to within 1" of the edge and dot edges with butter.  
Roll up jelly roll style, long edge to long edge, tuck ends under and brush loaf with egg white.  
Sprinkle top lightly with paprika and garlic salt.

Bake at 350 degrees for 30 min. Cool 10 min before cutting.

If you want you can freeze it before you cut it, just wrap in alum foil.  
Thaw then reheat for 45 min at 325 degrees.
